## Septic Super Shock Kit Liquid + 48 Bio-Packs

### Industrial Biological Septic Treatment

Dual-action kit helps digest sludge, grease, paper, bio-mat, and odor-causing organic buildup. Supports restored flow and long-term septic performance.

**Restores  
Flow**

**Sludge  
Reduction**

**Odor  
Reduction**

**48-Month  
Maintenance**

**5 gal  
liquid shock**

**Commercial-Strength  
Dual-Action Kit**

**48 Bio-Packets  
5 billion CFU/g**

### HOW IT WORKS

A one-time liquid shock helps jump-start digestion and restore flow in overloaded septic systems. Monthly bio-packets help maintain microbial activity and ongoing system performance.

### WHAT'S INCLUDED

Includes one 5-gallon liquid pail plus 48 water-soluble monthly bio-packets for long-term maintenance. Combined kit format delivers rapid recovery and ongoing support.

### QUICK USE GUIDE

System Status	Initial	Follow-Up
<span style="color: green;">●</span> Slow / Early Symptoms	Apply liquid shock	1 packet monthly
<span style="color: yellow;">●</span> Clogged / Ponding	Apply liquid shock	1 packet monthly
<span style="color: red;">●</span> Recovered System	—	1 packet monthly
