Re: Build America, Buy America Act

Dear Customer;

This letter is in response to your request regarding manufacturing information of certain NewTechBio products.

This letter shall serve to certify that, as of the date hereof, the following product manufactured by NewTechBio is produced in the United States and meets the applicable requirements under the Build America, Buy America Act (BABA) of the Infrastructure Investment and Jobs Act (IIJA; P.L. 117-58) requiring at least 55% of the components of the manufactured product, on a cost basis, are produced in the United States with final manufacturing and packaging occurring at NewTechBio's facility in Howell, New Jersey.

- NT-MAX Septic System Bio-Packs

NewTechBio reserves the right to review and modify any suppliers, methods, materials, packaging, product specifications, or locations of its manufacturing at any time, and nothing in this letter shall be construed to the contrary.

Should you have any additional questions, please contact Customer Service at service@newtechbio.com.

Sincerely,

A handwritten signature in black ink, appearing to read "Rob Hawks".
