

NT-MAX

Industrial Strength Septic Super Shock Liquid

5 Gallon Treatment | Liquid septic & drainfield treatment

High-density liquid treatment for clogged septic tanks, drainfield lines, cesspits, leach fields and sand mounds. Each shock dose delivers 85 trillion bio-enzymatic microbes that double every 30 minutes to help liquefy sludge, grease, paper and organic solids.

85T Microbes

Each shock dose delivers 85 trillion bio-enzymatic microbes.

Liquid Delivery

Moves to flow paths in minutes; improvement may occur in days.

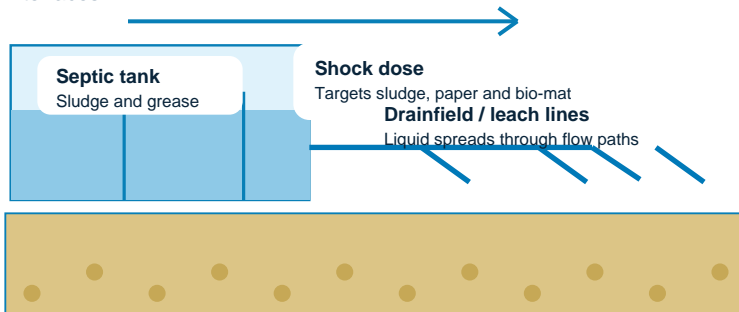

Eco-Safe

Non-toxic to plumbing, soil, pets and groundwater when directed.

Tank-to-Drainfield Liquid Shock

Liquid moves from the tank into drain lines, leach beds, pits and soil interfaces.

When to use Super Shock

For active septic or drainfield problems before monthly maintenance.

Need	Super Shock role
Clogged / ponding field	Active shock treatment
Tank, cesspit or lines	Digests sludge, grease, paper
After system clears	Bio-Packs for maintenance

Review the product label and Treatment Guide before application. Use only as directed.

Product data

SKU: NTB840

UPC: 811744010305

Unit Count: 5 Gallon

Weight: 50 lb

Dimensions: 12 in L x 12 in W x 16 in H

Listing accuracy: 05/04/2026

Category: Septic System Treatments

Brand: NewTechBio

Active Ingredient: Beneficial Microbial Cultures and Enzymes

How to use responsibly

- 1) Review the Product Label and Treatment Guide before application.
- 2) Use for septic tanks, drainfield lines, cesspits, leach fields or sand mounds showing clogging, ponding or heavy buildup.
- 3) After the system is clear, transition to monthly Bio-Packs for ongoing maintenance.

Performance expectations

Visible flow improvement may occur in days. Results vary by site conditions and application. Always read the label and use only as directed.
